for Infants and Children. Physicians Prescribe Castoria.

CASTORIA has met with pronounced favor on the part of physicians. pharmaceutical societies and medical authorities. It is used by physicians aggregate cost estimated; to \$211,175. with results most gratifying. The extended use of Castoria is unquestionably the result of three facts : lat. The indisputable evidence that it is harmless : 2nd. That it not only allays stomach pains and quicts the nerves, but assimilates the food; 3rd, It is an agreeable and perfect substitute for castor oll. It is absolutely safe. It does not contain any opium, morphine, or other narcotic and does not the shareholders this week, declared stupefy. It is unlike Soothing Syrups, Bateman's Drops, Godfrey's Cordial, etc. a stock dividend of \$800,000 to take This is a good deal for a medical journal to say. Our duty, however, is to expose danger and record the means of advancing health. The day for poisoning innosent children through greed or ignorance ought to end. To our knowledge, Castoria is a remedy which produces composure and health, by regulating the system-not by stupefying it-and our readers are entitled to the information. Hall's Journal of Health.
